**Re: *Exelon Generation Company, LLC v. East Coast Power & Gas, LLC***  
**Southern District of New York Case No.: 1:20-cv-09625-JPC**

Your Honor:

This firm is counsel to Defendant East Coast Power & Gas, LLC in the above matter.

We submit this joint letter application with Plaintiff's counsel under Individual Practice Rule 3.B. of Your Honor's Individual Practices, to respectfully request that the Initial Pretrial Conference ("IPTC") be adjourned from the presently scheduled date of February 16, 2021, to Friday, March 5 (afternoon); Tuesday, March 9; or Wednesday, March 10, 2021. If none of these dates are convenient for the Court then the parties would be happy to confer and propose alternate dates.

The purpose of this request is to allow the parties additional time to meet and confer in accordance with Rule 26(f) and thereafter, to submit a proposed case management plan and scheduling order, and joint letter as directed by the Court's Order (Doc. 10) at least seven days prior to the IPTC. No prior request for an adjournment of the IPTC has been made, and this enlargement of time will not affect any other scheduled dates in this action.

We thank the Court for its time and courtesies.

Respectfully submitted,

**LEVITT LLP**
